LOVE
LETTER

TENMA, WHO BECAME ANGRY OF THE SITUATION, PRESENTED A LOVE LETTER TO HER TARGET. THE WAVE OF ATTENTION REACHED ITS CLIMAX AND ENDED IN FAILURE. (ONE PRIMARY REASON BEING THAT THE VORTEN'S NAME WASN'T MENTIONED.)

2ND YEAR CLASS-C KURASHIMA OOLU, TELLUMOTO TENMA'S LOVE INTEREST, PLANNED TO MOVE AND TRANSFER TO A SCHOOL IN AMERICA.

LIBRARY

TELLUMOTO TENMA'S BATTLE WAS NOW TOTALLY BEGUN!

I... I WONDER IF I SHOULD SORRIFY SOME?

...MR BOOKS, HUH? HOW RICH-

TRANSLATOR'S NOTE: THE AUTHOR OF "THE ART OF WAR" IS SUN TSI, OO IN CHINESE - SON SUN. HOWEVER, THE NAME FOR "WAT" IS COMMONLY PRONOUNCED "TAT" IN JAPAN. MANY PLEASANT FIRST NAMES END IN "TAT", WHICH IS WHY TENMA THINKS THE AUTHOR OF "THE ART OF WAR" IS A WOMAN.

RABBIT
UNDER-
STAND?

NOPE, NOT UNDERSTANDING THE KAKE

I CAN'T BE
DEGRADATED!
LET'S READ
SOMETHING ELSE!

"DETTO" REFERS TO
A HOPPING RABBIT.
I THINK.

I SEE

SOMETHING
CORRESPONDING
TO "DETTO" IS
NOT KNOWN

THAT'S
DEFINITELY
BROGARE!

THE
MEANING
FOR THIS
PHRASE!

INCLUDE ME.

HE
IS
HERE!

THANK YOU
VERY MUCH.

DON'T
MENTION
IT!

TRANSLATOR'S NOTE: THE CHARACTER ABOVE TALKING ON THE RIGHT IS READ "SUKI" AND MEANS "LOANER OR OPPORTUNITY". A DIFFERENT CHARACTER ALSO READ "SUKI" MEANS "TO LIVE, TO LOVE". ESPECIALLY TALKING IS TRYING TO GET KARASUMA TO SAY "I LOVE YOU" BY TRANSLATING THE ABOVE CHARACTER, AND SINCE THE CHARACTER THAT SHE IS GETTING TRANSLATED MEANS OPPORTUNITY, IT'S A FUN!

INTRODUCES

SAWACHIKA ERI

[Translator's note: Sawachika = sawa (a mark, like a low note) + chi (a low note) ^^]

Height: 145cm (5'10" 8 inches)
About that tall I think!

Love: (and she likes the way

Enbun looks like "Kang" and cooking (you note)

Specialty: (No matter what she always looks like excited) ... (No problem

Miscellaneous: (She looks like she lives in an even better house than me

Strong point: (Father is French, mother is half Japanese, so she returned home to Japan from Enbun. She's from a high class family

In a word: Her words are intense, but the truth is I really think she's a real girl, definitely

[Translator's note: Many is the third Japanese alphabet after Hiragana and Katakana. Many characters are imported from China and there are some things like 40,000 of them, although if you know only 2,000 of them you'll be able to read 99% of what you encounter in manga, newspapers, Japanese study life. I color-code them, because they make translating is better. ...]

SHOULD TAKE THE OPPORTUNITY TO EXPLAIN PLAYING'S CONCEPT.
IT IS NAMED AFTER MAX PLANCK, ONE OF THE FOUNDERS OF QUANTUM
THEORY. PLAYING'S CONSTANT IS USED TO DESCRIBE QUANTIZATION,
A PHENOMENON OCCURRING IN MICROSCOPIC PARTICLES SUCH AS
ELECTRONS AND PHOTONS IN WHICH CERTAIN PHYSICAL PROPERTIES
OCCUR IN FIXED AMOUNTS RATHER THAN ASSUMING A CONTINUOUS
RANGE OF POSSIBLE VALUES. WHAT THIS MEANS IN PRACTICE IS
THAT WHEN YOU LOOK AT THE BRITISH MATTER OF THE UNIVERSE
ON A SMALL ENOUGH SCALE, SOME REALLY POKY SHT HAPPENS.
FOR EXAMPLE A PIECE OF MATTER CAN TAKE ONLY ANOTHER PIECE WITHOUT
ANY CONTACT BETWEEN THE TWO CHANGING INSTANTLY TAKING A WHOLE OR
AFTER JUST HANDSHING INTO TAKING A WHOLE A TRACE. BY THE WAY THE
VALUE OF PLAYING'S CONSTANT IS h (ABOUT 6.6×10^{-34} JOULES) SO I HOP

Translator's Log Note

Yes, I know this is nothing on the page to translate, but I wanted to explain Kappa (the water imp) a little more. ^_~

Kappas aren't like fish and are generally getting it with a body of a human, reptilian head, scaly skin, long hair, long pointed ears, webbed feet and hands, and yellow-green skin. They are often depicted with a torii-like structure that looks like they have small objects.

The defining characteristics of the Kappa is the feature usually atop its head. This crescent-like depression holds a strong-smelling fluid (usually you've heard the guard-bored Kappa played someone to lose simply if the courageous Kappa bows its head, it will spill its strength giving water making it look like losing it to return to its water kingdom).

Kappas are mostly evil, but not always. Often introduced the Kappa is supposedly a skilled teacher in the art of bare-knuckling and other martial arts. About the size of a child (not 6 to 10), the Kappa is nonetheless incredibly strong. It attacks humans, cattle, and horses, and feeds on their blood. Some stories tell of Kappa pulling kids down into the water and drowning them. As drowning victims were sometimes found with a depressed area (swollen neck), the Kappa became identified as the "thick-skinned" (tsuka) vampire, and is said to suck blood through the victim's nape. In other instances, the Kappa doesn't suck blood, but rather drags people off their life boats. Other stories described a Kappa Kappa ate meat, drinking water, including human tears.

And NO, I didn't make that "evil vampire" part up!

Thanks
